While a few have remained faithful to God, the great majority have corrupted their ways before Him. The same sins exist in our day which brought the wrath of God upon the world in Noah's, and Lot's day (Sodom and Gomorrah); The same sins of gluttony and drunkenness benumbed the moral sensibilities of the inhabitants in Noah's day, and in Lots day. is now reaching epidemic proportions of our day. So with those two examples, Christ thus warned the world. "...Even thus, shall it be, in the day when the Son of man is revealed".
